

## **Company Expectations Acknowledgement and Contract**

**Effective August 1, 2024 through July 31, 2025**

- I understand that as a member of the SCA Company, I may be asked to attend additional performance opportunities throughout the season. As much advanced notice as possible will be given for these performance opportunities.
- The SCA Company takes pride in the Stoughton Community and the arts opportunities it provides, therefore in return the SCA Company may organize or be a part of community events to show our appreciation.
- There may be various Company Team building events throughout the season. Not all are mandatory and as much advanced notice as possible will be given.
- If I wish to take additional classes outside of SCA, I will contact the Director for appropriate places for additional training.
- Company fees that are invoiced to my account monthly help to cover: administrative costs of running the company, organizing events, handling registrations, coordinating extra performances, running rehearsals, purchasing music, researching opportunities for performances, competitions and additional arts education, and more. competition fees for two competitions). If participation in another competition is chosen by Faculty, those fees will be invoiced separately.

- If registered in the PPL Program and Company Rehearsals, I therefore agree to the terms in this contract.
